MEMORANDUM FOR: Director, NRO Staff

SUBJECT : MC&G Interests in Potential NRO
Technical Development Programs,
FY 1973 - 1978

REFERENCES : a. Director, NRO Staff, Memorandum for
Chairman, COMIREX MC&G Working
Group, 22 March 1971

b. MCGWG-D-21.2/25 May 1971

1. COMIREX has reviewed the Mapping, Charting, and Geodesy Working Group's recommendations responsive to reference a. memorandum from the Director, NRO Staff, and forwards the following statement of MC&G interests. The Committee endorses the continuation of an exchange of views between the MC&G Working Group and the NRO Staff in identifying the technical feasibility, particularly regarding cost and timing factors, of the various elements of MC&G interest addressed below.

5. As studies and specific developmental possibilities emerge along the lines noted in the paragraphs above, it is requested that the NRO report to this Committee on their general feasibility in relation to timing and potential costs, and on any impact that such development in support of the MC&G need might have on primary intelligence missions.
